WAR CARTS

War Carts System

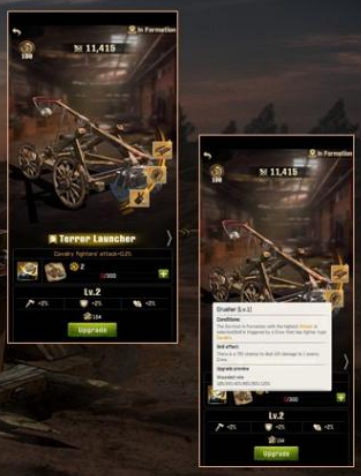

War Carts - Effects

Passive effect:
- Owning a War Weapon gives an attribute bonus without having to add the Weapon to a Formation.
- Upgrade the War Weapon using Fragments to increase the global attribute bonus.

Active effect:
- Adding the War Weapon to a Formation will give you an attribute bonus (attack, defense or health) for that Formation.
- Upgrade the War Weapon using WXP and Weapon Cleaning Sets to further enhance this bonus.

Skills:
- Each War Weapon has a unique skill, and some skills only have effect for Survivors from specific Chemistry or for certain fighter types.
- In the combat system, skills of War Weapons are triggered prior to the skills of Survivors.
- Improve the Skill level by upgrading the War Weapon using Fragments.

War Carts - Obtaining

How to obtain War Carts?

- After entering Season 3, you can build the War Workshop building.
- Clicking Assemble button you can enter the Weapon Assemblage page.
- There are 3 Assemblage types: Basic Assemblage, Expert Assemblage and Expert Assemblage II.
- You can Assemble War Weapons, War Weapons XP (WXP) and the special item "Weapon Cleaning Set".
- Assemblage costs Basic Pliers, Expert Pliers or Rubies.
- If you obtain a War Weapon you already have, it will be automatically converted in War Weapon Fragments, which is needed for upgrading the stars of the War Weapon.
