

CLAN COALITIONS

Requirements

Clan Coalitions are **available from Season 3**. You can only create a coalition with clans within your War Pact.

To create a Coalition you need the following;

- 9000 Prosperity
- 70+ Clan Members
- 5000 Rubies to Create

If you have these, you can begin to create a coalition with clans.

To join a Coalition, you do not need to meet these requirements.

What does a clan coalition do?

- A Coalition is a “super-Clan”. It consists of maximum 3 different Clans.
- You are able to occupy region locations as a team rather than individual clans
- You can attack, defend and team up together
- You enjoy the Buffs and Rewards from the Season
