## Scavenge Rush – Event Rules

### Points:

- Players can earn activity points by completing daily target tasks.

### Milestone Rewards:

- When the points reach a specified level, Players can receive a milestone treasure chest, which contains the activity-exclusive prop **"flashlight"**
- Players can also quickly obtain a large number of "flashlights" by purchasing gift packs

# Scavenge Rush - Exploration

## Manual Scavenging

- Each Scene comprises 16 tiles for scavenging using Flashlights.
- Begin scavenging from **any** point within the 4x4 grid, moving to **adjacent** tiles after each exploration.
- The scavenging reward types are divided into ordinary rewards and best rewards. There is **only one best reward** for each level.
- When the "best reward" is found, an **Exit** will appear, and you can choose to enter the next level or continue scavenging for rewards in the current level.

## Auto Scavenging

- Players can tap the "Auto-Scavenging" button to use all remaining flashlight props to automatically scavenge each tile in a specific order.
- When the best reward (**the Exit**) for this level is found, the Auto-Scavenging will be paused.
