SURVIVAL PASS

Survival Pass

Available for: New Users

Time: Every 28 days

There are some special rules:

1. When a new game is created, that players SP will begin immediately, when it ends, if it is on the 29th/30th/31st of the month, the next SP will start on the 1st of the next month. Otherwise, the new SP will begin instantly.
2. Rewards for your SP might be different than other people in your server, it depends on which day your SP started.

Rules:

1. Everyone receives a Free reward at the start of each season.
2. Unlock the Survival Pass to obtain greater rewards.
3. Complete daily tasks to gain Survival Pass Points. These points will increase your survival pass level earning you better and better rewards as you level up.
4. Survival Pass level resets every season.
5. Privilege of avoiding advertisements will last until the beginning of the next Survivor Pass.
6. You can gain up to 580 Survival Pass Points each day.

Rewards:

Legendary Survivor fragments, Town Hall skin, Name Tag skin, Rubies, Long-range transmissions
Survivor EXP (Combat/Development), Skill Medals, Short-range transmissions, Speed ups Resources
