WORLD EXPLORATION EVENTS

WORLD EXPLORATION EVENTS - INTRODUCTION

What are World Exploration events?

World exploration events are a whole **new gameplay mechanic** that allows players to take place in a variety of **new daily tasks and events**.

To access these special events, tap on the **torch icon** on the bottom right of your interface, to return to your regular interface then click on the exit button

There are two main key points that will determine the events you can take part in and the rewards that you can obtain. **Event Level and Rewards Level**.

THE WALKING DEAD SURVIVORS

WORLD EXPLORATION EVENTS - EVENT LEVEL

Event Level:

The events you have access to will be determined by your event level.

Increasing your event level will grant you access to more event types and greater rewards!

Complete events to gradually increase your event level.

WORLD EXPLORATION EVENTS - REWARD LEVEL

Reward Level:

Your reward level will determine the rewards you can receive when completing events, the higher the reward level the better your rewards will be.

You can increase your reward level by defeating walkers on the world map. You can increase your reward level up to the same level of the highest level walkers you have defeated.

Receive free ruby rewards when you upgrade your reward level!
