ACCOUNT VS GAMES/TOWNS

To avoid confusion on what your **Account** is, compared to what your **Game** or **Town** is. Here's a quick explanation;

What is your Account?

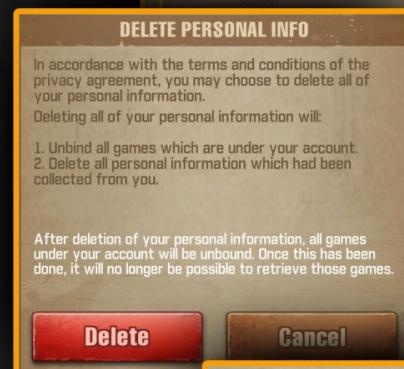

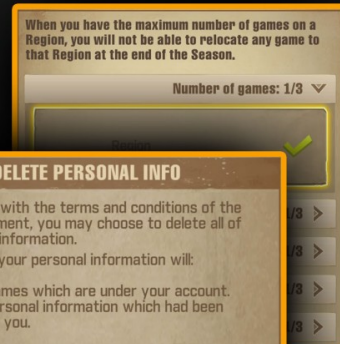

- Your Account is what **connects you** to your Game or Town
- An account is where your **personal information** is kept (Including Purchases)
- **Binding** to Facebook, Google or Apple **is only possible to an account**
- You can have **multiple games** linked to just one account (3 max per Region)

What is your Game or Town?

- Your games are what you are **currently playing**
- Games are **linked** to an **Account**
- You **cannot delete** games or towns from Regions

What happens when you Delete your Account?

- Your games or towns **stay** in your region and persist **without you**
- Your personal information is **destroyed** (Including Purchases)
- All proof of your ownership of your games or towns is **deleted**
- Your bound social accounts are **disassociated**
- **THIS IS IRREVERSABLE**
